# Insurance terms

## Cost sharing

The portion you pay for specific health care services like office visits, X-rays and prescriptions. Coinsurance, copayments and deductibles are all examples.

## Deductible

This is a set amount of money you pay out of your own pocket for certain services. For a \$2,000 annual deductible, for example, you will have to pay \$2,000 worth of charges before Harvard Pilgrim helps pay. If you receive care for services that fall under the deductible, the provider will send a bill. If prescription drugs fall under a plan's deductible, you will need to pay for them when you pick them up from the pharmacy. Copayments do not count toward a deductible.

## Copayments

The flat dollar amount you pay for certain services on your plan. There may be different copayments for different services (e.g., primary care visits, specialist visits and prescription drugs). Copayments are normally due at the time of an appointment or when picking up a prescription at the pharmacy.

## Coinsurance

A fixed percentage of costs you pay for covered services. For example, for a plan with coinsurance, you may have to pay 20% of a provider's bill for care, while Harvard Pilgrim pays 80%. Coinsurance is usually something paid after you have paid an annual deductible.

## HSA (health savings account)

This is an account that can help you pay for qualified health care expenses. You need to have a federally qualified high deductible health plan, such as the HMO HSA or the Maine's Choice HMO HSA, to be able to open an HSA. Check with your bank or financial advisor to see if they offer HSAs.

---

## Important dates

### November 1 – December 15, 2019\*

2019 open enrollment period for selecting health care coverage, which goes into effect starting January 1, 2020

\*You can enroll outside of the open enrollment period under certain circumstances (e.g., involuntary loss of employer-sponsored coverage; marriage; birth; or a move of your principal residence). This is called a Special Enrollment Period. If you believe that you qualify for a Special Enrollment Period please call us at (855) 354-4742 and we will be happy to guide you through the process.

---

## Out-of-pocket maximum

A limit on the total amount of cost sharing you pay annually for covered services. This generally includes copayments, coinsurance and deductibles. After you meet the out-of-pocket maximum, Harvard Pilgrim will pay all additional covered health care costs.

## Catastrophic plan

You can buy a catastrophic plan if you are under 30 or have a hardship exemption or affordability exemption. Catastrophic plans have low monthly premiums and high deductibles. They cover three primary care provider office visits outside of the deductible. You will pay out of your own pocket for most other covered services before the plan helps pay.

# Prescription drug benefits

Our prescription drug coverage focuses on choice and value to help you get the most out of your benefits.

All plans include our 5-tier prescription drug coverage: The lower the tier, the less you pay. Cost sharing for prescriptions may include a combination of copayments, coinsurance and a deductible. Members can fill prescriptions at retail pharmacies nationwide or through our mail order program.

## Is a prescription covered?

Visit [harvardpilgrim.org/rx](http://harvardpilgrim.org/rx). Select the year and the plan as shown on the ID card (example: Value 5-Tier), then look up drugs by tier or category.

Plan tiers

## How the prescription drug tiers work

Tier 2	Higher-cost generics
Tier 3	Preferred brands (some higher-cost generics)

Through our partnership with United Behavioral Health (also known as Optum), you have access to resources and treatment for a wide number of behavioral health issues, such as depression, anxiety, ADHD, eating disorders or concerns about substance use or addiction.

Our confidential **Behavioral Health Access Center** can help you understand your coverage and treatment options and makes it easy for you to get started with treatment.

Call **(888) 777-4742** to get started.

# The care you need, when you need it

When your primary care provider's office isn't open, and you need medical care for a non-life-threatening injury or illness, you have options—other than the ER—that can save you time and money.

### Choice, meet savings

Our Maine's Choice HMO plan features a two-tier provider network that lets you choose from thousands of trusted physicians.

# Helping you choose a plan

## Ask yourself some questions

Your answers to these questions are helpful for figuring out whether a Gold, Silver, Bronze or Catastrophic plan is best for you. See the 2020 product grids starting on the next page for more details on cost sharing for each plan.

## Questions to consider

What kind of care do you expect to need in the next year? Are you willing to pay more for a higher level of coverage? Would you rather pay higher monthly premiums in exchange for lower costs when you receive care?

With all of our plans, you'll choose a primary care provider (PCP) to arrange your care.

	Gold HMO plans	Silver HMO plans	Bronze HMO plans	Catastrophic plans
<b>May be best if you:</b>	Are willing to pay for richer benefits	Are eligible for a subsidy and want strong coverage value	Are healthy and do not expect to use services	Have a hardship exemption or affordability exemption, OR if you're under 30, relatively healthy, and want to protect yourself in worst-case scenarios.
<b>Premium level</b>	Highest	Lower than Gold; higher than Bronze	Lower than Silver; higher than Catastrophic	Lowest
