

Schedule of Benefits

Harvard Pilgrim – BILH Flex Plus HMO MASSACHUSETTS

Please Note: In this plan, Members have access to network benefits only from the providers in the Harvard Pilgrim – BILH Flex Plus HMO network. This network includes a tiered provider network. In this plan, Members pay different levels of Deductibles, Copayments, or Coinsurance depending on the tier of the provider delivering a covered service or supply. This plan may make changes to a Provider's benefit tier annually on January 1. To determine the tier of a Provider, please consult the Harvard Pilgrim – BILH Flex Plus HMO Provider Directory or visit the provider search tool at www.harvardpilgrim.org/bilh.

This Schedule of Benefits summarizes your Benefits under Harvard Pilgrim – BILH Flex Plus HMO (the Plan) and states the Member Cost Sharing amounts that you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for detailed information on benefits covered by the Plan and the terms and conditions of coverage.

This plan does not provide coverage for outpatient prescription drugs. Your coverage for prescription drugs is administered by a third party named ScriptWellRx. If you have questions regarding your pharmacy coverage, ScriptWellRx can be reached at **1-855-542-1819**.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. Your emergency room Member Cost Sharing is listed in the tables below.

Tiered Providers

Most hospitals and physicians covered by the Plan are placed into one of three benefit levels or "tiers". Member Cost Sharing for these providers depends upon the tier in which a provider is placed. Tier 1 is the lowest cost tier. Tier 2 is the medium cost tier. Tier 3 is the highest cost tier. Only acute care hospitals, Primary Care Providers (PCPs) and medical specialists are assigned to one of three tiers. All other covered providers are assigned to Tier 1. In some cases, a provider may practice at more than one location and may have a different tier assigned to each location. Keep in mind that different out-of-pocket costs may apply to the same provider based upon where you are treated by that provider.

You can lower your out-of-pocket cost by selecting the physicians and hospitals in the lower cost tiers. The tables set forth below list the Member Cost Sharing for each type of tiered service. The Plan's Provider Directory lists all Plan Providers and their tier. You can access the Provider Directory at www.harvardpilgrim.org/bilh. You may also obtain a paper copy of the directory, free of charge, by calling Harvard Pilgrim's Member Services Department at **1-888-333-4742**.

Because Member Cost Sharing is dependent upon the tier placement of a doctor or hospital, you will have lower out-of-pocket costs when you select providers from the lower tier. You should consider a provider's tier and where the provider has hospital admitting privileges before selecting a provider. For example, if you require hospital care with a Tier 1 physician who performs your service at a Tier 1 hospital, you will pay the Tier 1 out-of-pocket costs for both your physician and hospital care. However, if you require hospital care with a Tier 1 physician who performs your service at a Tier 2 or Tier 3 hospital, you will pay the lower Tier 1 out-of-pocket costs for the physician services but the higher Tier 2 or Tier 3 out-of-pocket costs for hospital care.

Medical Necessity Guidelines

EFFECTIVE DATE: 01/01/2025

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member’s care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at www.harvardpilgrim.org or by calling the Member Services Department at 1-888-333-4742.

Covered Benefits
