Schedule of Benefits

Harvard Pilgrim Health Care of New England, Inc. BEST BUY HMO – LP NEW HAMPSHIRE

IMPORTANT INFORMATION: This policy reflects the known requirements for compliance under The Affordable Care Act as passed on March 23, 2010. As additional guidance is forthcoming from the U.S. Department of Health and Human Services, and the New Hampshire Insurance Department, those changes will be incorporated into your health insurance policy.

Coverage under this Plan is under the jurisdiction of the New Hampshire Insurance Commissioner.

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at **www.harvardpilgrim.org** or by calling Member Services at **1-888-333-4742**.

Select LP Providers

HPHC-NE has designated certain facilities as Select LP Providers. These providers render the same quality of service at a lower cost than other Plan Providers in the network. When you receive certain services from a Select LP Provider, your Member out-of-pocket costs will be less than if you received the same service from providers that are not Select LP Providers. The tables set forth below identify the outpatient services which may be obtained from Select LP providers and list the Member Cost Sharing for those services when provided by a Select LP Provider or other Plan Provider.

The Plan's Provider Directory lists all Plan Providers including those providers that are Select LP Providers. You can access the Provider Directory at **www.harvardpilgrim.org**. You may also obtain a paper copy of the directory, free of charge by calling the Member Services Department at **1-888-333-4742**.

Office Visit Cost Sharing Levels

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts as described throughout this Schedule of Benefits. There are two types of office visit cost sharing that apply to your Plan: a lower cost sharing, known as "Level 1" and a higher cost sharing known as "Level 2."

EFFECTIVE DATE: 01/20/2023 FORM #1574_14 Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified midwives; and nurse practitioners.

Level 2 applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other cost sharing amounts. Please see the benefit table below for your specific cost sharing requirements.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery – Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."
