Schedule of Benefits

Harvard Pilgrim – HMO Plus Out of Area
MASSACHUSETTS

Please Note: In this plan, Members have access to network benefits only from the providers in the Harvard Pilgrim - HMO Plus network. This network includes a tiered provider network in which Members pay different levels of Member Cost Sharing depending on the tier of the provider delivering a Covered Benefit or supply. This plan may make changes to a Provider's benefit tier annually on January 1. Please consult the Harvard Pilgrim - BILH HMO Plus Provider Directory or visit the provider search tool at **www.harvardpilgrim.org/bilh** to determine the tier of Providers in the Harvard Pilgrim - HMO Plus Network.

You're eligible to enroll in this plan if you live 20 or more miles from a Tier 1 BILH Primary Care Provider (PCP) and you live within Harvard Pilgrim's enrollment area of Massachusetts, New Hampshire, Maine, Rhode Island, and certain areas of Connecticut, Vermont and New York.

This Schedule of Benefits states any Benefit Limits and the Member Cost Sharing amounts that you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details.

This plan does not provide coverage for outpatient prescription drugs. Your coverage for prescription drugs is administered by a third party named ScriptWellRx. If you have questions regarding your pharmacy coverage, ScriptWellRx can be reached at **1-855–542–1819**.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Tiered Providers

Most hospitals and providers covered by the Plan are placed into one of three benefit levels or "tiers". Member Cost Sharing for these providers depends upon the tier in which a provider is placed. Tier 1 is the lowest cost tier. Tier 2 is the medium cost tier. Tier 3 is the highest cost tier. In some cases, a provider may practice at more than one location and may have a different tier assigned to each location. Keep in mind that different out-of-pocket costs may apply to the same provider based upon where you are treated by that provider.

You can lower your out-of-pocket cost by selecting the physicians and hospitals in the lower cost tiers. The tables set forth below list the Member Cost Sharing for each type of tiered service. The Plan's Provider Directory lists all Plan Providers and their tier. You can access the Provider Directory at **www.harvardpilgrim.org/bilh**. You may also obtain a paper copy of the directory, free of charge, by calling Harvard Pilgrim's Member Services Department at **1–888–333–4742**.

Because Member Cost Sharing is dependent upon the tier placement of a provider or hospital, you will have lower out-of-pocket costs when you select providers from the lower tier. You should consider a provider's tier and where the provider has hospital admitting privileges before selecting a provider. For example, if you require hospital care with a Tier 1 physician who performs your service at a Tier 1 hospital, you will pay the Tier 1 out-of-pocket costs for both your physician and hospital care. However, if you require hospital care with a Tier 1 physician who performs your service at a Tier 2 or Tier 3 hospital, you will pay the lower Tier 1 out-of-pocket costs for the physician services but the higher Tier 2 or Tier 3 out-of-pocket costs for hospital care.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at **www.harvardpilgrim.org** or by calling the Member Services Department at **1-888-333-4742**.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For inpatient hospital care, see "Hospital — Inpatient Services," and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."
