Important Questions	Answers	Why This Matters
What is the overall deductible?	In-Network: $1,500 member/ $3,000 family Out-of-Network: $4,000 member/ $8,000 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the policy, they have to meet their own individual **deductible** until the overall family **deductible** amount has been met.
Are there services covered before you meet your deductible?	Yes: **In-Network** **durable medical equipment**, **emergency room care**, prescription drugs, outpatient mental health services, **preventive care**, **provider** office visits, **rehabilitation services**, **habilitation services**, routine eye exams, are covered before you meet your **deductibles**.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But, a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered **preventive services** at **https://www.healthcare.gov/coverage/preventive-care-benefits/**
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services
What is the out–of–pocket limit for this plan?	In and Out-of-Network Combined: $7,000 member/ $14,000 family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limit** until the overall family **out-of-pocket limit** has been met.

Important Questions	Answers	Why This Matters
What is not included in the out–of–pocket limit?	Prescription drugs, premiums, balance-billing charges, penalties for failure to obtain preauthorization for services and health care this plan doesn't cover	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See **https://hphc.providerlookuponlinesearch.com/gateway?plan_ids=%5B%22A0020124%22%5D** or call **1-888-333-4742** for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without permission from this plan.

	All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
