Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	<u>In-network providers</u> : \$0 <u>Out-of-network providers</u> : \$250 /individual/calendar year, \$500 /family/calendar year	<u>In-network providers</u> : See the Common Medical Events chart below for your costs for services this plan covers. <u>Out-of-network providers</u> : Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the plan begins to pay.
Are there services covered before you meet your <u>deductible</u>?	<u>In-network providers</u> : not applicable <u>Out-of-network providers</u> : Yes. Dental coverage and vision coverage are not subject to the <u>deductible</u> .	<u>In-network providers</u> : This plan does not have a <u>deductible</u> for <u>in-network</u> services. <u>Out-of-network providers</u> : This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for <u>in-network</u> services.
What is the <u>out-of-pocket limit</u> for this plan?	<u>In-network providers</u> : \$1,500 /individual/calendar year, \$3,000 /family/calendar year <u>Out-of-network providers</u> : \$3,000 /individual/calendar year, \$7,000 /family/calendar year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Copayments</u> , <u>balance billing</u> charges, health care this plan doesn't cover, <u>prescription drugs</u> , penalties for failure to obtain pre-approval for services, and vision coverage and dental services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.harvardpilgrim.org/myoptions/welcome-painters-allied-trades-dc-35 for a list of <u>in-network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
