Important Questions	Answers	Why This Matters
What is the overall deductible ?	Tier 1: \$250 member / \$500 family Tier 2: \$250 member / \$500 family Tier 3: \$3,500 member / \$7,000 family Benefits are administered on a calendar year basis.	Generally you must pay all the costs up to the deductible amount before this plan begins to pay. If you have other family members on the policy, they have to meet their own individual deductible until the overall family deductible amount has been met.
Are there services covered before you meet your deductible ?	Yes. Preventive care , provider office visits, Non-hospital based diagnostic tests and imaging, emergency room care , emergency medical transportation , outpatient mental health services, Rehabilitation services, Habilitation services, durable medical equipment , and routine eye exams are covered before you meet your deductibles .	This plan covers some items and services even if you haven't yet met the deductible amount. But, a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	Tier 1: \$3,500 member / \$7,000 family Tier 2: \$3,500 member / \$7,000 family Tier 3: \$4,500 member / \$9,000 family Benefits are administered on a calendar year basis.	The out-of-pocket limit is the most you could pay in a year of covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limit until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why This Matters
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://hphc.providerlookuponlinesearch.com/gateway?plan_ids=%5B%22A0780124%22%5D or call 1-888-333-4742 for a list of <u>preferred providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance-billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
