Harvard Pilgrim StrideSM (HMO)/(HMO-POS) Medicare Advantage Plans

Dental Provider Directory

This directory provides a list of network providers for covered routine dental services as documented in the Evidence of Coverage for your StrideSM (HMO)/(HMO-POS) plan.

This directory is current as of August 2020. Some network providers may have been added or removed from our network after the directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about network dental providers in your area, you should visit www.harvardpilgrim.org/medicare or call Member Services at the number listed on the back cover of this booklet.

Harvard Pilgrim is an HMO/HMO-POS plan with a Medicare contract. Enrollment in StrideSM (HMO) depends on contract renewal.

Member Services has free language interpreter services available for non-English speakers. Phone numbers are printed on the last page of this booklet.

If needed, we can also provide you information in large print or other alternate formats.

Finding a Provider

The directory first lists General Dentists alphabetically by State, County, City or Town, and Name. Specialty Dentists are listed next, also alphabetically by State, County, City or Town, Specialty and then Name. Dentists are listed based on where they provide services. Locate the State where you live, then the name of your County, and City or Town. If your County, City or Town is not listed, you will need to look for one that is close to where you reside. Please note the closest City or Town may be in another County.

If you already have a dentist you prefer to see, there is an index at the end of this booklet that lists network providers alphabetically by Name. If your dentist is not listed in the directory, it may mean that he or she is not in our network. You may want to call Member Services for the most current information regarding participating dentists and accessing your dental benefits.

Other Important Information

The network providers listed in this directory have agreed to provide your routine dental care for negotiated rates. Dental services are administered by Dental Benefit Providers, Inc. (DBP). You may see any licensed dentist to receive covered services. However, dentists who do not participate in the DBP network may charge more. Neither Medicare, DBP nor Harvard Pilgrim will be responsible for costs that are greater than what has been negotiated with network providers or costs that are greater than the maximum coverage amount for your plan. Refer to your Evidence of Coverage for more information.

Please note that prior authorization from Harvard Pilgrim is required when Medicare-covered dental services must be provided in a hospital setting, either inpatient or outpatient, due to a medical condition.
