

StrideSM (HMO) Medicare Advantage Plans

Behavioral Health Provider Directory

This directory provides a list of network providers for covered behavioral health care services as documented in the Evidence of Coverage for your StrideSM (HMO) plan. These include admission to a psychiatric hospital or the psychiatric floor of a general hospital; partial hospitalization; outpatient visits with a psychiatrist or other licensed mental health professional; and treatment programs for substance abuse, including opioids, regardless of whether outpatient or inpatient.

The directory is current as of June 2023. Some providers may have been added or removed from our StrideSM network after this directory was printed. In addition, we cannot guarantee that each provider listed is still accepting new patients. For the most up-to-date information about network providers in your area, visit www.harvardpilgrim.org/medicare or call Member Services at the phone number printed on the back cover of this booklet.

Harvard Pilgrim is a HMO/HMO-POS plan with a Medicare contract. Enrollment in StrideSM (HMO) depends on contract renewal.

Harvard Pilgrim Health Care Includes Harvard Pilgrim Health Care and Harvard Pilgrim Health Care of New England.

Member Services has free language interpreter services for those who do not speak English.

Upon request, Harvard Pilgrim will provide information in large print or other alternate formats.

Telehealth Only Providers 1690

Introduction

The providers listed in this directory have agreed to deliver your behavioral health care services. You may see any of the providers listed in this directory, so long as they remain contracted with StrideSM. If you have been seeing one network provider in particular, you are not required to continue with that same provider. The plan does not require referrals from your PCP for you to seek outpatient behavioral health care services from network providers. However, you are encouraged to talk to your PCP about any behavioral health care services you receive.

You are able to get outpatient behavioral health care services either through an in-person visit or a virtual visit (i.e., telehealth, e-visit, or virtual check-in). This directory identifies providers offering virtual visits by listing **Virtual Visits/Telemedicine: Y** after their telephone number.

You can also visit www.harvardpilgrim.org/strideproviders to find a provider in our network.

Service Area

Belknap, Cheshire, Grafton, Hillsborough, Merrimack, Rockingham, Strafford and Sullivan counties in New Hampshire.

Please note that all our plans are offered in the above counties, except for Strafford County, where only our Value Rx Plus (HMO) is offered.

Finding a Provider

This directory lists behavioral health care providers in the StrideSM network alphabetically by State, County, City/Town, Specialty, then Last Name. Providers are listed based on where they practice. Locate the State where you live, then the name of your County and City/Town. If your County or City/Town is not listed, you should look for one that is close to you. Please note that the closest City/Town may be in another County.

NOTE: Following the above directory, a list of providers that offer only telehealth services is provided. You can find them after the “Alphabetical Index” section.

If you already have a provider you prefer to see, there is an index at the end of this booklet that lists providers alphabetically by Last Name. If your provider is not listed in the directory, it may mean that they are not in our StrideSM network. For the most up-to-date information about network providers in your area, you should call Member Services at the phone number printed on the back cover of this booklet.

Other Important Information

Harvard Pilgrim must be notified within 48 hours of admission for inpatient behavioral health care. In addition, prior authorization may be required for partial hospitalization services or for outpatient behavioral health care services that follow unusual practice patterns, such as many sessions within a short time period.

Under limited circumstances, our plan will allow members to see out-of-network providers for covered services: These are emergency care delivered in an emergency room, urgently needed services, and when the plan's network of practitioners cannot provide the covered service. In the last case, prior authorization from the plan is required. Refer to your plan's *Evidence of Coverage* for more information.

There may be times when you get a bill from a provider for the full cost of care. In most cases, you should send this bill to the Plan instead of paying it. Harvard Pilgrim will look at the bill and decide whether the service is covered. When a service is covered, Harvard Pilgrim will pay the provider directly.

If you are considering behavioral health care and have questions about whether Harvard Pilgrim will cover it, whether from a StrideSM provider or from an out-of-network provider, you have the right to ask the plan for a decision before seeking care.

For Members of StrideSM Choice Rx (HMO-POS)

If you are enrolled in Harvard Pilgrim's StrideSM Choice Rx (HMO-POS) plan, outpatient behavioral health care services may be covered out-of-network anywhere in the US (territories excluded) without prior authorization. If you are enrolled in StrideSM Choice Rx (HMO-POS), refer to your *Evidence of Coverage* for more information about the plan's Point of Service (POS) benefit.
