Section 1 – Introduction

This directory provides a list of Harvard Pilgrim Health Care StrideSM 's network providers.

You will have to choose one of our network providers listed in this directory to be your **P**rietary **C**are **P**rovider (PCP). Generally, you must get your health care services from your PCP.

Your PCP will provide your routine care, preventive care, and treatment for common illnesses. They will also refer you to specialists as needed. You can always change your PCP by calling our Member Services department at **1-888-609-0692 (TTY 711)**.

Your PCP may have a team of specialists called a “referral circle”. Your PCP’s referral circle includes designated specialists, inpatient facilities, suppliers and other providers. It represents the professionals with whom your PCP has chosen to work. When your PCP sends you to a specialist or anyone else in their referral circle, your PCP is recommending you see a doctor whose opinion they trust and who is qualified to diagnose your condition.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Harvard Pilgrim StrideSM does not require you have a referral from your PCP to see an in-network specialist, including for outpatient psychiatric services. This means you have direct access to specialized care. However, you are still encouraged to talk to your PCP first. They will work with you to determine the best type of specialist to see, and they will coordinate your care with the specialist.

As a Health Management Organization (HMO), some medically necessary services must be authorized by the plan as a condition of coverage. For more detailed information about authorizations, please refer to your *Evidence of Coverage (EOC)*.

Members of the following StrideSM plans must use in-network providers except for emergency or urgent care situations, out-of-area renal dialysis, or cases where the plan authorized use of an out-of-network provider:

1. Basic Rx (HMO)
2. Value Rx (HMO)
3. Value Rx Plus (HMO)

As a member of one of these three plans, if you obtain routine care from an out-of-network provider, neither Medicare nor Harvard Pilgrim Health Care will be responsible for the cost.

In contrast, the StrideSM Choice Rx (HMO-POS) plan helps its members access certain services out-of-network anywhere in the US (territories excluded). When you see an out-of-network provider using the POS benefit, the same authorization requirements are in effect as when you see an in-network provider. Here are some other details about the Choice Rx plan's POS benefit to keep in mind:

1. The out-of-network provider must participate in Medicare and accept you as a Harvard Pilgrim StrideSM patient.
2. Harvard Pilgrim StrideSM cannot pay a provider who does not participate in Medicare or is otherwise precluded from the Medicare Program.
3. For Part D prescriptions to be covered, the out-of-network provider who prescribes the medication must also be a Medicare Part D Prescriber.
4. When the out-of-network provider accepts Medicare assignment, you will not be responsible for any amount in excess of the POS copayment or coinsurance. **If the out-of-network provider does not accept Medicare assignment, however, you may be responsible for additional charges.** For physician services, there is a maximum, or limiting, charge for Medicare-covered services.

If you see an out-of-network provider, in cases where out-of-network providers send a bill to you, you should **not** pay the bill. Instead, submit it to Harvard Pilgrim Health Care, for processing and determining your out-of-pocket costs, if any.

Behavioral Health Services, including mental health and substance abuse treatment programs, are available from Optum Behavioral Healthcare Services. Members and providers may contact Optum Behavioral Healthcare Services by calling **1-888-777-4742 (TTY 711)** 24 hours a day, seven days a week.

It is important to know which providers are part of our network, because with limited exceptions, while you are a member of our plan you must use network providers to get your medical care and services. The only exceptions are emergencies, urgently needed services when the network is not available (generally, when you are out of the area), out-of-area dialysis services, and cases where Harvard Pilgrim Health Care has authorized use of out-of-network providers. Refer to Chapter 3 of your *Evidence of Coverage* for more specific information about emergency, out-of-network and out-of-area coverage.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Harvard Pilgrim Health Care StrideSM will be responsible for the costs.

Providers who offer only telehealth services are listed in Section 3 of this directory, following the directory of providers that offer on-site and/or telehealth services (Section 2.) To outreach these providers, their phone number and website address have been provided. To receive virtual/telehealth services, please contact the provider to confirm that they are licensed to provide services in the state where you are located.

What is the service area for Harvard Pilgrim Health Care StrideSM?

Belknap, Cheshire, Grafton, Hillsborough, Merrimack, Rockingham, Strafford and Sullivan counties in New Hampshire.

Please note that all our plans are offered in the above counties, except for Strafford County, where only our Value Rx Plus (HMO) is offered.

How do you find Harvard Pilgrim Health Care StrideSM providers that serve your area?

Due to the large size of our StrideSM network, Harvard Pilgrim has created two printed directories. Doing so makes them easier to read. One directory lists providers available in New Hampshire and other counties in northern New England. Our second directory lists providers available in counties south of New Hampshire.

To help you find a provider close to your home, this directory is organized as follows:

HOSPITALS	In the first section of our directory, with a header of HOSPITALS, we list all our hospitals that are available in the entire Stride SM network, listed by state.
PRIMARY CARE PROVIDERS	<p>Following the HOSPITAL section, under the header PRIMARY CARE PROVIDERS, we list all Primary Care Providers (PCPs) that are in the StrideSM network. You will need to choose your PCP from among these providers.</p> <p>Within each state, the PCPs are listed alphabetically, first by county, then by city/town within that county and then by the PCP's last name.</p> <p>On the top of each page, we list the city/town and the city/town's associated county. Each time the county or city/town changes, we indicate the change by showing the header, in a box, that lists the city/town and the county.</p>
SPECIALISTS	Following the PCP section, we list our SPECIALISTS in the same manner as our PCPs: Alphabetically by county, then within each county by city/town, and then by the specialist's last name.
OTHER CARE PROVIDERS	Following the SPECIALISTS section, we list our OTHER CARE PROVIDERS. These are the providers in our network that are not PCPs, specialists or hospitals. Examples include Minute Clinics, Dialysis Centers, and Laboratories.

TELEHEALTH ONLY PROVIDERS	Section 3 of this directory provides a listing of providers offering only telehealth services. This section provides a listing of PCPs then followed by specialists that offer telehealth services only.
---------------------------	--

If you have questions about Harvard Pilgrim Health Care StrideSM plan, or require assistance in selecting a PCP, please call our Member Services Department at **1-888-609-0692 (TTY 711)**. Our representatives are available October 1 – March 31, 8 a.m. – 8 p.m., seven days a week, and April 1 – September 30, 8 a.m. – 8 p.m., Monday – Friday.

You can also visit www.harvardpilgrim.org/strideproviders.

Harvard Pilgrim is an HMO/HMO-POS plan with a Medicare contract. Enrollment in StrideSM (HMO) depends on contract renewal.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care and Harvard Pilgrim Health Care of New England.
