Harvard Pilgrim StrideSM (HMO)/(HMO-POS) Medicare Advantage Plans

Behavioral Health Provider Directory

This directory provides a list of network providers for covered behavioral health care services as documented in the Evidence of Coverage for your StrideSM (HMO)/(HMO-POS) plan.

This directory is current as of November 2020. Some network providers may have been added or removed from our network after the directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about network behavioral health care providers in your area, you should visit www.harvardpilgrim.org/medicare or call Member Services at the number listed on the back cover of this booklet.

Harvard Pilgrim is an HMO/HMO-POS plan with a Medicare contract. Enrollment in StrideSM (HMO) depends on contract renewal.

Member Services has free language interpreter services available for non-English speakers.

If needed, we can also provide you information in large print or other alternate formats.

Introduction

This directory provides a list of network providers for covered behavioral health care services as documented in the Evidence of Coverage for your StrideSM (HMO)/(HMO-POS) plan.

The network providers listed in this directory have agreed to provide your behavioral health care services. You may see any of our network providers listed in this directory. If you have been seeing one network provider, you are not required to continue to go to that same provider. Referrals are not needed for outpatient behavioral health care services from network providers. Even so, it is important to communicate with your Primary Care Provider (PCP) about any health care services you receive.

You have the option of receiving outpatient behavioral health care services either through an in-person visit or via telehealth. Network provider who offer virtual visits are included in this directory. You can find them by looking for provider listings that show “Virtual Visits/Telemedicine: Y” after the provider’s telephone number.

Finding a Provider

The directory lists network behavioral health care providers alphabetically by State, County, City or Town, Specialty and then Name. Providers are listed based on where they practice. Locate the State where you live, then the name of your County, and City or Town. If your County, City or Town is not listed, you will need to look for one that is close to where you reside. Please note the closest City or Town may be in another County.

If you already have a provider you prefer to see, there is an index at the end of this booklet that lists network providers alphabetically by Name. If your provider is not listed in the directory, it may mean that he or she is not in our network. You may want to call Member Services for the most current information regarding participating providers and accessing your behavioral health care benefits.

Other Important Information

Harvard Pilgrim must be notified within 48 hours of admission for inpatient mental health care. In addition, prior authorization may be required for partial hospitalization services or for outpatient behavioral health care services that follow unusual practice patterns, such as many sessions within a short time period.

Under limited circumstances, our plan will allow members to see out-of-network providers for covered services: Emergency care delivered in an emergency room, urgently needed services, and when the plan's network of practitioners cannot provide the covered service. Under this last circumstance, however, prior authorization from the plan is required. Refer to your plan's Evidence of Coverage for more information.

There may be times when you get a bill from a provider for the full cost of care you received. In many cases, you should send this bill to your plan instead of paying it. Harvard Pilgrim will look at the bill and decide whether the service should be covered. If it should be covered, Harvard Pilgrim will pay the provider directly.

If you have any questions about whether Harvard Pilgrim will cover behavioral health care services that you are considering, whether from a network provider or from an out-of-network provider, you have the right to ask the plan for a decision before receiving care.

For Members of StrideSM Choice Rx (HMO-POS)

If you are enrolled in Harvard Pilgrim's StrideSM Choice Rx (HMO-POS) plan, outpatient behavioral health care services may be covered out-of-network anywhere in the United States,

excluding the U.S. territories, without prior authorization. Please refer to your Evidence of Coverage for more information.

For Members of StrideSM Gain RxSM (HMO)

If you are enrolled in Harvard Pilgrim's StrideSM Gain RxSM (HMO) plan, to receive any payment from the State, your providers must be enrolled in the New Hampshire Medicaid Program. They will need to submit paper claims to Medicaid for secondary payment – after Harvard Pilgrim has paid its share. You may search online at <https://nheasy.nh.gov/#/health-plans-search/> to determine if your network provider also participates in the New Hampshire Medicaid Program. Or, call New Hampshire Medicaid Program Client Services at 800-852-3345, Extension 4344, 8:00 a.m. – 4:30 p.m., Monday through Friday, or TTY: 1-800-735-2964.
