Section 1 – Introduction

This directory provides a list of Harvard Pilgrim Health Care’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider** (PCP). Generally, you must get your health care services from your PCP.

Your Primary Care Provider will manage your routine care and will refer you to specialists as needed. You can also change your PCP by calling our Member Services department at 1-888-609-0692. TTY users, call 711.

As a Health Management Organization (HMO), our members are required to obtain a referral or authorization from our plan as a condition for covering medically necessary services that are covered by our plan. For most types of specialists, you will need to obtain a “referral” from your PCP before you can schedule an appointment with the specialist. StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), StrideSM Choice Rx (HMO-POS) and StrideSM Gain RxSM (HMO) members will not need a referral to obtain outpatient psychiatric services. However, it is important to communicate with your PCP about any health care services you may receive.

The PCP you choose works with certain plan specialists he/she uses for referrals, called a “referral circle.” A referral circle is a group of specialists, inpatient facilities, providers and suppliers that are part of your PCP’s network.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers, or obtain services without needing a referral. Please refer to your Evidence of Coverage for further details about services that do not require a referral.

Harvard Pilgrim’s HMO-POS plans provide members with the ability to access certain services out-of-network anywhere in the US (territories excluded). Under the Point-of-Service (POS) benefit, you will not pay a higher cost share when using an out-of-network provider. However, if you use an out-of-network provider, you must follow the same referral and prior authorization requirements as when you use an in-network provider. If you get care from an out-of-network provider, that provider must participate in Medicare and accept you as a Harvard Pilgrim StrideSM (HMO) patient. We cannot pay a provider who has decided not to participate in Medicare or is otherwise precluded from the Medicare Program. In addition, for Part D prescriptions to be covered, the out-of-network provider who prescribes the medication must also be a Medicare Part D Prescriber. When using your plan’s POS benefit, if the out-of-network provider accepts

Medicare assignment, you will not be responsible for any amount in excess of the applicable POS copay or coinsurance. If the out-of-network provider does not accept Medicare assignment, however, you may be responsible for additional charges. For physician services, there is a maximum, or limiting, charge for Medicare-covered services.

If you see an out-of-network provider, in cases where out-of-network providers submit a bill directly to you, you should **not** pay the bill but should submit it to Harvard Pilgrim Health Care, for processing and determination of your liability, if any.

You must use network providers except in emergency or urgent care situations, or for out-of-area renal dialysis or cases where the plan authorized use of out-of-network providers. If you obtain routine care from out-of-network providers, neither Medicare nor Harvard Pilgrim Health Care will be responsible for the costs.

Behavioral Health Services, including mental health and substance abuse services, for beneficiaries covered by Harvard Pilgrim's StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), StrideSM Choice Rx (HMO-POS) and StrideSM Gain RxSM (HMO) are provided through Optum Behavioral Healthcare Services. Members and providers may access Optum Behavioral Healthcare Services by calling **1-888-777-4742 (TTY/TDD 711)** to arrange for inpatient admission authorization. Outpatient mental health and substance abuse services do not require a referral. Optum Behavioral Healthcare Services is available 24 hours per day, 7 days a week.

Certain dental services are administered by Dental Benefit Providers, Inc. Members may call **1-800-460-0315 (TTY/TDD 711)** for the most current information regarding participating dentists and accessing their dental benefits. Please refer to the instructions on page i for more information or refer to our dental provider directory.

How do you find Harvard Pilgrim Health Care's providers that serve your area?

Due to the large size of a printed provider directory, we have created two provider directories, so the hard copy is easier to review. Our Provider Directory for New Hampshire, Maine and Vermont lists physicians in New Hampshire, Maine and Vermont. Our Provider Directory for Massachusetts, Rhode Island or Connecticut lists physicians in Massachusetts, Rhode Island and Connecticut.

This directory provides a list of Harvard Pilgrim Health Care's (HMO)/(HMO-POS) network providers.

To help you find a provider close to your home, this directory is organized as follows:

HOSPITALS	In the first section of our directory, with a header of HOSPITALS, we list all our hospitals that are available in our entire network, listed by state.
PRIMARY CARE PROVIDERS	Following the HOSPITAL section, under the header PRIMARY CARE PROVIDERS, we list all our Primary Care Providers (PCPs) that are in the three-state region, of the directory you have requested. Our Provider directories will list PCPs in New Hampshire, Vermont, Maine, Massachusetts, Rhode Island and Connecticut. Within each state, the PCPs are listed alphabetically, first by county, then by city/town within that county and then by the PCP's last name. On the top of each page, we list the city/town and the city/town's associated county. Each time the county or city/town changes, we indicate the change by

	putting a header in a box, that lists the city/town and the county.
SPECIALISTS	Following the PCP section, we list our SPECIALISTS in the same order as our PCPs, alphabetically by county, then within each county by city/town and then by the specialist's last name.
OTHER CARE PROVIDERS	Following the SPECIALISTS, we list our OTHER CARE PROVIDERS – who are other providers that are not PCPs, specialists or a hospital, that are part of our network. For example, Minute Clinics, Dialysis Centers and Laboratories.

If you have questions about Harvard Pilgrim Health care's StrideSM Plan, or require assistance in selecting a PCP, please call our Member Services department at 1-888-609-0692, TTY: 711. Our Representative are available October 1 – March 31, from 8 a.m. – 8 p.m., 7 days a week and April 1 – September 30, 8 a.m. – 8 p.m., Monday - Friday.

Harvard Pilgrim is an HMO/HMO-POS plan with a Medicare contract. Enrollment in StrideSM (HMO) depends on contract renewal.

Harvard Pilgrim Health Care includes Harvard Pilgrim Health Care and Harvard Pilgrim Health Care of New England.

Introduction

This booklet provides a list of Harvard Pilgrim Health Care's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Harvard Pilgrim Health Care's formulary.

When this pharmacy directory refers to "we," "us," or "our," it means Harvard Pilgrim Health Care. When it refers to "plan" or "our plan," it means StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), StrideSM Choice Rx (HMO-POS) or StrideSM Gain RxSM (HMO.)

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered by Harvard Pilgrim Health Care only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2020. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called OptumRx Home Delivery. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside our service areas in Maine, New Hampshire and Massachusetts, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the StrideSM (HMO)/(HMO-POS) service area or call Member Services at 1-888-609-0692. TTY: 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Harvard Pilgrim Health Care.

This directory lists pharmacies in our network alphabetically by state and then city or town. Within each city/town, pharmacies are listed by the pharmacy type, as applicable, in this order: home infusion, long term care (LTC), Indian Health Service/Tribal/Urban Indian Health Program, and retail pharmacies. A description of the different types of pharmacies follows.

Retail Pharmacies, including Chain Pharmacies

All locations associated with the following pharmacies are participating providers. To get locations and direct telephone numbers of the chain pharmacies near your home, please call the numbers listed.

Pharmacy Chain Name	Toll Free/Central Phone Number	TTY Number

Please note: All chain pharmacies listed above provide an extended day supply of medications. Retail pharmacies in this directory that provide an extended day supply of medications are indicated with an asterisk *.

Mail Order Pharmacy

OptumRx Home Delivery
(855)524-0380
TTY 711
www.optumrx.com

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-888-609-0692, TTY: 711.

Home Infusion Pharmacies

For more information, please see your Evidence of Coverage.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs under StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), StrideSM Choice Rx (HMO-POS) and StrideSM Gain RxSM (HMO) through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), StrideSM Choice Rx (HMO-POS) and StrideSM Gain RxSM (HMO)'s pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

Network Pharmacies outside the StrideSM Basic Rx (HMO), StrideSM Value Rx (HMO), StrideSM Value Rx Plus (HMO), StrideSM Choice Rx (HMO-POS) and StrideSM Gain RxSM (HMO)'s Service Area

We have network pharmacies outside the service area where you can get your drugs covered as a member of our plan. These pharmacies in Massachusetts, Maine and New Hampshire are listed throughout the directory. For network pharmacies in other states, contact Member Services or visit our website, www.harvardpilgrim.org/medicare.

Specialty Pharmacy

As a Harvard Pilgrim Stride member, you have the flexibility of filling your medications at the network pharmacy of your choice. If you pay a coinsurance for your specialty medication, your out of pocket costs may be lower should you choose to fill your specialty medication with CVS Specialty Pharmacy. Medications available through CVS Specialty Pharmacy are identified in our drug list with the following note: "Available through CVS Specialty (1-800-237-2767)."

Other Pharmacies are available in our network, as shown in this directory. For network pharmacies outside of Massachusetts, Maine and New Hampshire, contact Member Services, or visit our website, www.harvardpilgrim.org/medicare.
