Important Questions	Answers	Why This Matters
What is the overall <u>deductible</u> ?	Medical & <u>Prescription Drug Deductible</u> : Tier 1: \$8,000 member / \$16,000 family Tier 2: \$9,100 member / \$18,200 family Benefits are administered on a calendar year basis.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> , and any combination of first 2 Tier 1 Primary Care <u>provider</u> office visits per member, and any combination of first 2 mental/behavioral health and substance use outpatient services per member are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at https://www.healthcare.gov/coverage/ preventive-care-benefits/.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$9,100 member / \$18,200 family	The <b><u>out-of-pocket limit</u></b> is the most you could pay in a year for covered services. If you have other family members in this <b><u>plan</u></b> , they have to meet their own <u><b>out-of-pocket limits</b></u> until the overall family <u><b>out-of-pocket limit</b></u> has been met.

Important Questions	Answers	Why This Matters
What is not included in the <u>out-of-pocket</u> <u>limit</u> ?	<b>Premiums</b> , <b>balance-billing</b> charges, and health care this <b>plan</b> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See https://www.harvardpilgrim.org/ public/find-a-provider or call 1-888-333-4742 for a list of preferred providers.	This <b>plan</b> uses a <b>provider network</b> . You will pay less if you use a <b>provider</b> in the plan's <b>network</b> . You will pay the most if you use an <b>out-of-network provider</b> , and you might receive a bill from a <b>provider</b> for the difference between the <b>provider's</b> charge and what your <b>plan</b> pays ( <b>balance-billing</b> ). Be aware your <b>network</b> <b>provider</b> might use an <b>out-of-network provider</b> for some services (such as lab work). Check with your <b>provider</b> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes.	This <b>plan</b> will pay some or all of the costs to see a <b>specialist</b> for covered services but only if you have a <b>referral</b> before you see the <b>specialist</b> .

All **<u>copayment</u>** and <u>**coinsurance**</u> costs shown in this chart are after your <u>**deductible**</u> has been met, if a <u>**deductible**</u> applies.
