# Schedule of Benefits

Harvard Pilgrim Health Care of New England, Inc.

ElevateHealth<sup>SM</sup> HMO HSA Silver NEW HAMPSHIRE

**IMPORTANT INFORMATION: This policy reflects the known requirements for compliance** under The Affordable Care Act as passed on March 23, 2010. As additional guidance is forthcoming from the U.S. Department of Health and Human Services, and the New Hampshire Insurance Department, those changes will be incorporated into your health insurance policy.

Coverage under this Plan is under the jurisdiction of the New Hampshire Insurance Commissioner.

You have thirty (30) days from receipt of this Policy to review this document. If you are not satisfied for any reason with the Policy, you have the right to return the Policy to Harvard Pilgrim and have your premium returned.

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

Certain capitalized words in this Schedule of Benefits have special meaning. Unless indicated otherwise, please refer to Section II: Glossary of your Benefit Handbook for more information.

In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

### **Clinical Review Criteria**

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our clinical review criteria on our website at www.harvardpilgrim.org or by calling 1-888-888-4742.

### **Covered Benefits**

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician's office, see "Physician and Other Professional Office Visits." For services provided in a hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery - Outpatient."

<b>General Cost Sharing Features:</b>	Member Cost Sharing:
Coinsurance and Copayments	
	See the benefits table below

General Cost Sharing Features:	Member Cost Sharing:
Deductible	
	\$3,750 for Individual Coverage per Calendar Year \$7,500 for Family Coverage per Calendar Year – with a \$3,750 embedded individual Deductible per Calendar Year

Important Notice: If your Plan has a family Deductible with an embedded individual Deductible, the Deductible can be satisfied in one of two ways:

- a. If a Member of a covered family meets an individual embedded Deductible, then services for that Member that are subject to that Deductible are covered by the Plan for the remainder of the Calendar
- b. If any number of Members in a covered family collectively meet the family Deductible, then all Members of the covered family have no additional Deductible Member Cost Sharing for Covered Benefits for the remainder of the Calendar Year. No one family member may contribute more than the individual embedded Deductible amount to the family Deductible.

Once a Deductible is met, coverage by the Plan is subject to any other Member Cost sharing that may apply.

Out-of-Pocket Maximum	
Includes all Member Cost Sharing	\$6,750 for Individual Coverage per Calendar Year
	\$13,500 for Family Coverage per Calendar Year
	– with a \$6,750 embedded individual Out-of-Pocket Maximum
	per Calendar Year

Important Notice: If you are a Member with Family Coverage, the Out-of-Pocket Maximum can be satisfied in one of two ways:

- a. If a Member of a covered family meets an individual embedded Out-of-Pocket Maximum, then that Member has no additional Member Cost Sharing for the remainder of the Calendar Year.
- b. If any number of Members in a covered family collectively meet the family Out-of-Pocket Maximum, then all Members of the covered family have no additional Member Cost Sharing for the remainder of the Calendar Year. No one family member may contribute more than the individual embedded Out-of-Pocket Maximum amount toward the family Out-of-Pocket Maximum.
